Keynote Speaker, Coach,
& Workshop Facilitator

Building Intentional Leadership at Every
Level—Because Legacy Is Built Today

Rhonda is a keynote speaker who builds
intentional leadership at every level.

SIGNATURE KEYNOTE:

Legacy Is Today

Building Leadership at Every Level

Leadership is not defined by titles or roles—it's built through daily choices, communication, and presence. In this keynote, Rhonda challenges audiences to recognize their influence and lead intentionally, right where they are.

Grounded in military leadership experience and delivered through powerful storytelling, humor, and real-world insight, this keynote equips organizations to strengthen culture, engagement, and ownership—starting today.

KEY OUTCOMES

- Leading more intentionally - regardless of title
- Taking ownership of their influence — at every level
- More confident, engaged, and aligned staff
- Contributing to culture in meaningful, measurable ways
- Communicating with clarity and confidence

Tasks get completed. Titles change.

Legacy is built by how people lead - every day.
